Non-Employee Director Compensation

On December 13, 2005, the Board of Directors of USEC Inc. ("USEC" or the "Company") approved changes to the compensation for the Company's non-employee directors. These changes to non-employee director compensation will be effective with the term commencing at the 2006 annual meeting of shareholders, expected to be held in April 2006.

In light of additional time devoted to Company matters and after review and recommendation by the Company's independent compensation consultant, the Board of Directors approved an increase in the Board meeting fees paid to non-employee directors from \$1,500 to \$2,000 per meeting, approved an increase in the annual fee paid to the chairman of the Audit, Finance and Corporate Responsibility Committee from \$5,000 to \$12,000, and approved an increase in the annual fee paid to the chairman of all other committees of the Board of Directors from \$5,000 to \$7,500. In addition, fees paid for attendance at committee meetings will be increased from \$1,000 to \$1,500 per meeting.

The Board of Directors also adopted numerical stock ownership guidelines for non-employee directors equal to five times the annual retainer paid to each non-employee director. Commencing with the 2006 term, directors will continue to be required to take at least 50% of their annual retainer in the form of restricted stock or nonqualified stock options until such time as they satisfy the stock ownership guidelines. After they have met the guidelines, directors may receive their fees in cash, restricted stock or nonqualified stock options, at their election.

These revised compensation arrangements are described in Exhibit 10.92 to this report, which is incorporated herein by reference. The compensation for non-employee directors for the current term ending at the 2006 annual meeting of shareholders is unchanged and was described in Exhibit 10.77 to the Form 8-K filed by the Company on April 27, 2005.

Until a director has satisfied USEC's director stock ownership guidelines (numerical stock ownership target equal to five times the annual retainer), at least 50% of the retainer is paid in the form of restricted stock or nonqualified stock options, although a director may elect to receive a greater proportion of the retainer in restricted stock or nonqualified stock options. Once a director has satisfied USEC's director stock ownership guidelines, director is entitled to receive the entire annual retainer in cash, although a director may elect to receive the retainer in restricted stock or nonqualified stock options, in lieu of cash.
Annual Stock Grant	Annual grant of restricted stock valued at \$30,000 granted at the time the annual retainer is paid. Restricted stock vests on the later of one year from the date of grant or the director's termination of service.
Annual Option Grant	Annual grant of 3,500 stock options granted at the time the annual retainer is paid. Options vest after 12 months.
Committee Chairman Fees	\$12,000 annual fee for Audit, Finance and Corporate Responsibility Committee chairman. \$7,500 annual fee for all other committees' chairman. Committee chairman fee paid in cash, shares of restricted stock or options, at the director's election, at the time the annual retainer is paid.
Board Meeting Fees	\$2,000 for each Board of Directors meeting attended. Meeting fees are paid in cash in the week following the meeting or, at the director's election, in restricted stock in the month following each meeting.
Committee Meeting Fees	\$1,500 for each committee meeting attended. Meeting fees are paid in cash in the week following the meeting or, at the director's election, in restricted stock in the month following each meeting.

## Incentive Stock

If a director chooses to receive restricted stock as payment for the part of the annual retainer, chairman and meeting fees that they are otherwise entitled to receive in cash, he or she will receive an incentive payment of restricted stock equal to 20% of the portion of the annual retainer, chairman and meeting fees that the director elects to take in restricted stock in lieu of cash. These incentive shares will vest on the later of three years from the date of grant or the director's termination of service. Incentive shares are granted at the time the annual retainer is paid.

All restricted stock and options are granted pursuant to the USEC Inc. 1999 Equity Incentive Plan, as amended, and are subject to the terms of such plan and the applicable stock option or restricted stock award agreements previously approved for issuance of options and restricted stock to non-employee directors under the plan. Restricted stock carries the right to receive dividends and the right to vote.
